

# Foundation News!

14th February 2025

## This Week

This week, the children have enjoyed talking about places that they visited in the UK and around the world. They have been writing postcards to share some of their experiences, looking at pictures of famous landmarks, and thinking about the different vehicles they might travel in.

In phonics, the children have been reading stories about Kit and Sam's adventures. Please help your child to spot digraphs and trigraphs in words when reading together, thank you.

In maths, we have been exploring the numbers 16 to 20, ordering them and talking about how we can look at the 'ones' or 'units' digit to do this. We have also looked at 10p and 1p coins, using them to make different amounts of money.

Poetry Basket: *Stepping Stones*

We hope all the children enjoy the break next week and we look forward seeing them back at school on Monday, 24th February.

## Messages

It was lovely to see so many of you at the parent-teacher consultations this week, we hope you found the conversations useful.

*Diary Dates:*

W/B 17th February: Half term break

Thursday 6th March: World Book Day

Happy Birthday  
to  
**Max and Eleanor**  
and to
