## Year One Bulletin

2<sup>nd</sup> May 2025

Dear Parents,

This week in Phonics, the children have been learning to read and write words with the suffix -ed. Please encourage them to complete their home learning challenge. Thank you.

In Maths, the children have been learning about length and height. As part of this, they have been shown how to measure things using a ruler to the nearest cm. If they have a ruler at home, it would be helpful for them to practise drawing lines and measuring things.

Please scan the QR code sent home with your child today for this week's words.

The Year One Sports Day will be held on Tuesday 20<sup>th</sup> May at 9.30 AM. The children will be organised into team colours next week.

Kind regards,

The Year One team
