

Ely St John's Primary School

Year One Bulletin

21st March 2025

Dear Parents,

This week in Phonics, most children have been learning to read and write words containing "ph" saying /f/ as in dolphin. Please encourage them to complete their home learning challenge. Thank you.

The lunchtime staff have reported that some children are bringing toys from home to use outside during lunchtime. We kindly request that toys be kept at home. If they are intended for Show and Tell, please remind your child that these must remain in their bag throughout the day – thank you.

In PSHE, the children are learning about managing safety. This week, we explored why and how to contact emergency services. As most house phones have been replaced by mobile phones, it would be beneficial to show your child how to dial 999 from your device, even when it is locked. We will soon be discussing strategies to use if one becomes lost, so having a conversation about this at home beforehand would be helpful.

We hope you have a great weekend.

Kind regards,

The Year One team
