4th April 2025

## This Week

We hope those of you who were able to attend enjoyed the Springtime arts and craft afternoon on Tuesday. There was lots of creativity on display from adults and children!

We have had a fun-filled week with a highlight being our end of term campfire. A big thank you to Mr. Poli for helping us with this. We also enjoyed a visit from Matthew & Luke, from St. Mary's Church, who shared a little about why Easter is a special time of year for them.

The children have still found time to complete lots of learning with everyone completing their first Beat That! challenge and joining in with reading and writing activities about growing plants. The children shared some super knowledge.

We wish the children a relaxing and well-deserved break and hope you enjoy your Easter and Springtime celebrations. We look forward to seeing you all again on Wednesday 23rd April.
